

The 2009 Entrepreneur's Mid Year Coaching Form

Well, half of 2009 is behind us and July first marks the start of Q3! Hopefully it has been a good year thus far for you. Regardless of big picture circumstances (ie: a recession), however, what you make of your business is still up to you. Use this sheet to clarify some of your progress and your objectives as you move into the second half of 2009. Make it a great year!
